Closing Tech, LLC
NOT JUST A CLOSING COMPANY

" Title companies are a dime a dozen. What sets Closing Tech apart from other agencies is good old fashion CUSTOMER SERVICE..."

Jason E. Horr

President

Closing Tech, LLC

NOT JUST A CLOSING COMPANY

Closing Tech, LLC is a full service state-of-the art title insurance agency providing title insurance for both residential and commercial transactions.

We underwrite with First American, the country's largest underwriter. This affiliation helps us to provide our clientele with the support, experience and legal expertise to underwrite the most complex of transactions.

Our mission is to follow the philosophy that our clients and customers are the reason for our existence and meeting their expectations will determine our success.

- Professional
- Efficient
- Courteous
- Experienced

Closing Tech, LLC is committed to providing professional, honest, innovative and top quality residential and commercial closing services. Our extensive experience, strong business ethic, continuing education, and dedication to excellent customer service, enables us to achieve our clients' goals and provide a much needed service.
